

SOBO PENINSULA 2026 MURAL HUNT

You've probably seen a few of the colorful and whimsical murals that grace SoBo, but there are a lot more out there hiding in plain view. This *Peninsula Post* Scavenger Hunt challenges you to discover this SoBo artistry while exploring all our South Baltimore peninsula neighborhoods, from Sharp-Leadenhall on the west to Locust Point on the east.

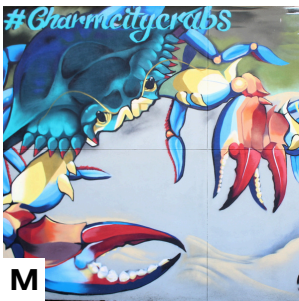

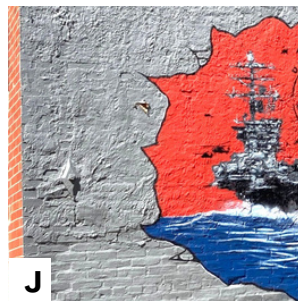

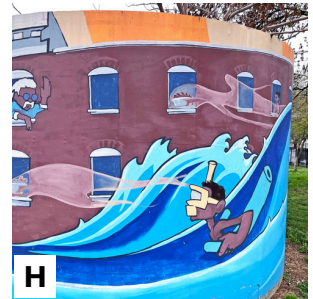

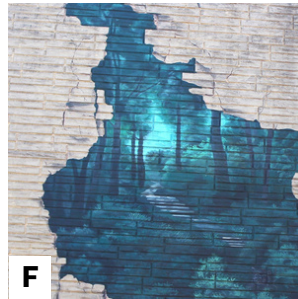

The **SoBo Peninsula 2026 Mural Hunt** begins on Saturday, April 25, and wraps up on Sunday, May 3, at the "I Love SoBo Day" community celebration. This flyer contains all the clues and instructions you'll need for the Hunt, including an Answer Sheet to record what you find (Page 4). Bring your Answer Sheet to SoBo Day at the Baltimore Museum of Industry to find out how you did. Prizes will be awarded to the top scorers.

Here's how the Mural Hunt works:

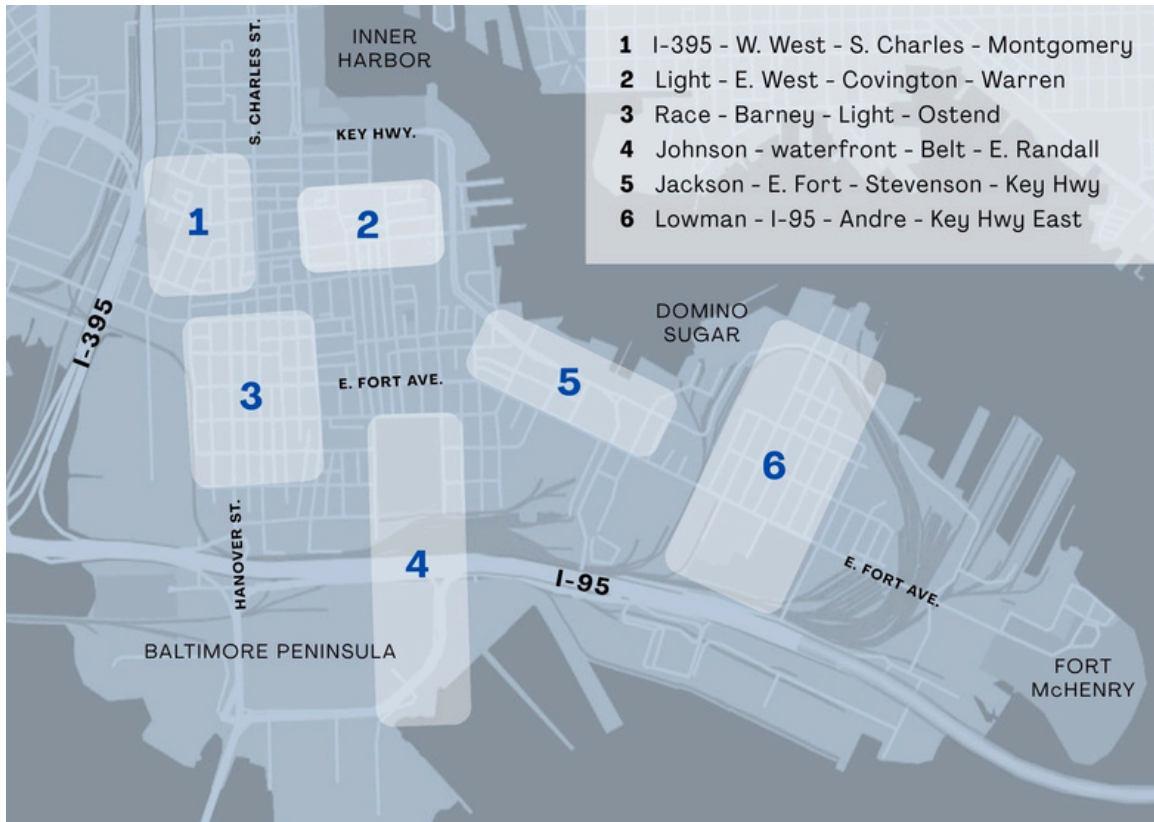

- Search for the 20 Murals pictured on Page 2. They are all visible from peninsula streets and parks. Each Mural has a letter designation (A-T). The Murals are located in one of the six numbered Areas on the peninsula map (Page 3).
- Once you find a Mural, write the number of the Area it's in (1-6) on the line next to the Mural's letter on the Answer Sheet (Page 4). Each correct answer earns you 1 Point. (*Tip: There are at least three murals in each Area.*)
- To receive Bonus Points, answer the "Challenge Questions" about ten of the Murals (Page 3). The answers to these questions will be clearly visible when you visit the Mural. Write your 1-2 word answer on the Answer Sheet. Each correct answer earns you 1 Point.
- Bring your completed Answer Sheet to the Information Desk at the front of the BMI pavilion on Sunday, May 3, between 9:00 am and 12:00 pm. Our volunteers will score your answers.
- The highest possible score is 30 Points. Participants with a score of **24 Points** or more receive a Prize. Participants with a score of **29 Points** or more receive the Bonus Prize.

Sponsored by South Baltimore United, a SoBo community nonprofit

Can you find these 20 SoBo murals?

SOBO PENINSULA 2026 MURAL HUNT

Challenge Questions

1. What creature is hanging from the face of the blue beast in **mural D**?
